

GRINDER CHROMIUM CRUSHER 2.0 SMALL GRC1002

About the Product

- Package Includes: 1- 2.0 Inch 4 Pieces Herb CNC Grinder
- The New Curved Blade Design Teeth makes your grinder sharper and more efficient in grinding any of the materials you want to put into. The different design in length and curve of the teeth allows cutting, shredding and grinding more easier to be processed altogether, reducing clogging and simplify cleaning problem.
- The unusual Dome-Shaped Lid will not only refresh your impression of the general grinder, but also bring you a smooth and soft touch every time you use your grinder.
- Featuring Chromium Crusher's popular mesh screen design, and a pollen scraper is included for your cleaning convenience.
