

## RAW CONE EMPERADOR 24CT/PACK

### About the product

Raw Emperor Cones are made from only the highest quality natural paper and feature a pre-rolled tip to ensure a nice smoke every time. Like all RAW cones, these are made from unbleached, unrefined paper so you get the cleanest burning smokable available! These cones are a step down in size from the Raw Supernatural Cones (12 inches) and measure in at 7 inches. Your next gathering will be unforgettable when you bust out a stuffed Emperor Cone from RAW! Each pack contains one cone, each full box contains 24 packs.
