

SCALE CR JDS-200B 0.01G PINK BOX CRS071CT

About the product

The CR JDS-200B Digital Scale is a high-precision weighing tool with 0.01g accuracy and a 200g capacity, perfect for measuring small and delicate items. Featuring a stylish pink box design, this compact and portable scale is ideal for jewelry, herbs, powders, and other precision needs. The bright digital display ensures easy readability, while the user-friendly controls make operation simple. A must-have for anyone needing reliable and accurate measurements.
