

RAW KING SIZE SLIM 200'S 40CT/PACK

About the product

- The RAW Natural King Size Slim papers you know and love are now available in 200 packs!

- Created from an original blend of unbleached and natural fibers, RAW rolling papers is the perfect choice for the natural-minded smoker. Made so thin that you can see through the natural brown hue, these rolling papers are sure to appeal to the eye as well as the mind. Originating from a desire to make an additive free rolling paper, RAW rolling papers were created to be much less-processed than other rolling papers. Enjoy your additive free tobacco in your additive free RAW king size slim rolling paper. Try for yourself and taste the difference. Paper features Rolling Supreme's patented run-preventing watermark system with cross-weave patterning and vertical hard-stop lines, to keep your smokes burning slowly and evenly, every time.
