

RAW CONE FILLER KING SIZE 1CT

About the product

- RAW Cone Shooter with Cone Filler Tool, Instructions Included
- RAW Cone shooter gives you the luxury of filling King Size pre rolled cones without making a mess or wasting product in the process.

- Each device has been patented by RAW rolling papers, and fit King sized raw cones.
- Raw Cone shooters allow you to roll your pre rolled cones in a fraction of the time that it would take you to roll a regular rolling paper, and come equipped with a cone packer for compressing your pre-rolls.
- Effortlessly and expertly fill your pre-rolled cones with this purpose-built cone shooter from RAW.
