

ELEMENTS PREMIUM ROLLING TIPS 50CT/PACK

About the product

Enhance your rolling experience with ELEMENTS Premium Rolling Tips, designed for smokers who value quality, durability, and convenience. Made from natural, chlorine-free, and chemical-free paper, these tips provide a clean and smooth smoking experience while helping to prevent fillers from entering your mouth.

Each tip is perfectly pre-cut and ready to roll, allowing you to create a solid and firm filter for your hand-rolled cigarettes. These tips help maintain the shape of your roll, reduce waste, and ensure an even burn from start to finish.

Product Features:

- Pack contains 50 premium rolling tips
- Made from natural, chlorine-free, and chemical-free paper
- Pre-cut and easy to roll for convenience
- Adds structure and stability to your hand-rolled cigarettes
- Helps prevent filler and loose tobacco from entering your mouth
