

SCALE CR JDS SM-500 0.1G GRAY 1CT

About the product

The CR JDS SM-500 Digital Scale is a reliable and precise weighing tool with 0.1g accuracy and a 500g capacity, making it perfect for measuring small items with ease. Designed in a sleek gray finish, this compact and portable scale is ideal for jewelry, herbs, powders, and other precision measurements. Featuring a clear digital display and easy-to-use controls, it provides accurate readings for everyday weighing needs.
