

SCALE CR JDS SM-200 0.01G PURPLE 1CT

About the product

The CR JDS SM-200 Digital Scale is a high-precision weighing tool with 0.01g accuracy and a 200g capacity, ideal for measuring small and delicate items with accuracy. Featuring a stylish purple design, this compact and portable scale is perfect for jewelry, herbs, powders, and other fine measurements. It includes a clear digital display, easy-to-use controls, and a durable build, making it a must-have for precise weighing needs.
