

NEXT LED LIGHT SWITCH 1CT/PACK

About the product

- SUPER BRIGHT & Updated - Equipped with new COB LED technology. This Updated COB Switch Light uses luminous material that allows you to easily find it in the dark.

- EASY TO INSTALL - It comes with two adhesive velcro and magnetic base which makes installation a breeze. It can be attached to any flat surface in a horizontal or vertical position. It can also be easily detached for use in another location. Simply stick it to your desired flat surface and it's ready for use. No need of tools or screws.
- MULTI-PUPOSE LIGHT SWITCH - This multi-purpose led light is great as your bedroom lighting, under cabinet lighting, for closets, attics, sheds, garage, armoires, autos, emergencies, or anywhere else
- LIGHT WHERE YOU NEED IT - Battery operated and cordless for easy mounting anywhere throughout the house. (Baby Nursery, Bedrooms, Closets, Hospital Beds, Kitchens, Bathrooms) No more wiring to get in your way!
