Reminisce about the old days as you roll these old-fashioned retro candy cigarette packs in your T-shirt sleeve! Or kick the habit with these tasty little old time candy memoirs. Many people remember enjoying candy cigarettes as children but now they're considered more of a retro candy. That old time Hollywood bad boy James Dean probably loved these candies! Recently revamped to hark back to the original formula created in 1952, Cigarette Candy Sticks once again boast that signature, melt-in-your-mouth texture and chalky sweet goodness we all remember as kids. It's never too late to pick up a pack and transport your palate back to the good ol' days. Remember the flavors of childhood with the return of this highly revered, retro favorite!
