

QUICK FIX PLUS SYNTHETIC URINE DETOX 3 OZ 1CT

About the product

Quick Fix Plus Synthetic urine is the latest 3 ounce premixed synthetic urine from Spectrum Labs which is laboratory designed for both male and female usage. Quick Fix urine contains all the natural ingredients in human urine and is toxin free, balanced for pH, specific gravity, creatinine, uric acid, urea, amino acids, protein, and several other urine characteristics. Unlike other synthetic urine on the market Quick Fix Plus actually smells like urine and foams when shaken
