

RANDYS GREEN LABEL CLEANER 12 OZ 1CT

About the product

- Reusable Cleaner

- Earth-Friendly
- Effective on Glass, Wood, Metal, and Acrylic

This earth friendly glass cleaner is simple to use. Just fill the glass item to be cleaned and make sure you block any orifices to prevent leaking or put the glass piece in a container and cover with the solution. Let the item soak until clean. No more shaking or swirling. Rinse the item thoroughly in warm water after soaking. To reuse the solution just filter out the solid particles and rebottle the cleaner. Discard it when it is no longer effective. Randy's Green Label is THE environmentally friendly and biodegradable glass cleaner of choice.
