

CHROMIUM CRUSHER CNC 2.75" HEAVY SOLID TOP WITH BLING GRC1308-60mm

About the product

Make a bold statement with the CHROMIUM CRUSHER GRC1308, a 2.75" (60mm) 4-piece CNC grinder that combines industrial strength with dazzling style. Featuring a heavy solid top adorned with bling accents, this grinder is as functional as it is fashionable. Precision CNC-machined from durable aluminum alloy, it includes sharp diamond-shaped teeth, a mesh screen, and a pollen catcher for a smooth and efficient grind every time. Ideal for users who demand performance with personality.

Key Features:

- 4-part CNC-machined grinder with solid, heavy-duty top
- Stylish bling accents for a premium, eye-catching finish
- 60mm (2.75") diameter - spacious and powerful
- Diamond-shaped teeth for smooth, consistent grinding
- Built-in mesh screen and pollen catcher
- Magnetic lid for secure closure
- Durable aluminum alloy construction for long-lasting use
