

EAGLE TORCH NEON MINI ANGLE V2 SAFE STOP 20CT/PACK

About the product

The Eagle Torch Neon Mini Angle V2 Safe Stop is a compact, windproof, and high-powered torch lighter designed for precision and safety. Perfect for everyday use, lighting cigars, cigarettes, candles, and outdoor activities like camping and grilling. Its ergonomic design and vibrant neon colors make it a stylish and functional addition to any collection.

Key Features:

- Mini Angled Torch Flame - Ensures a precise and efficient ignition.
- Safe Stop Technology - Built-in safety mechanism to prevent accidental ignition.
- Windproof Jet Flame - Works effortlessly in all weather conditions.
- Refillable Butane Design - Cost-effective and eco-friendly for extended use.
- Flame Adjustment Control - Customize flame intensity for different needs.
- Durable & Lightweight Build - Comfortable grip with a sturdy and long-lasting structure.
- Vibrant Neon Colors - Stylish, easy to spot, and perfect for personal or retail display.
- 20CT/Pack Display - Ideal for retailers, bulk buyers, or personal collections.

A versatile, stylish, and safety-enhanced torch lighter, the Eagle Torch Neon Mini Angle V2 Safe Stop is a must-have for anyone seeking a reliable and high-performance flame source.
