

## J & J BANDAID 30'S PLASTIC 1CT

### About the product

Protect minor cuts, scrapes, and wounds with Johnson & Johnson Band-Aid Plastic Adhesive Bandages. Designed for comfortable everyday protection, these bandages feature a flexible plastic backing that moves with your skin and a non-stick pad for gentle removal. The 30-count box includes assorted sizes, making it perfect for home, office, school, or travel first aid kits.

Product Features:

- Count: 30 Plastic Bandages (Assorted Sizes)
- Material: Durable plastic for all-day wear
- Non-Stick Pad: Cushions and protects wounds without sticking
- Secure Adhesive: Stays in place while allowing movement
- Trusted Brand: From Johnson & Johnson – a leader in first aid care

A must-have for treating everyday cuts and scrapes with comfort and reliability.
