

TOP O MATIC POWEROLL ELECTRIC KING SIZE CIGARETTE MACHINE 1CT

About the product

Comes with everything you need to start rolling your own king size cigarettes. It comes with a sturdy case to keep the machine and parts stored away when not in use or for portability. Uses a spoon fed injector system to quickly and efficiently assist you in making your own cigarettes. The device runs on a corded power source which can plug into any household 120V outlet. Along with the convenient travel case you also get a set of cleaning tools.
