

EAGLE NEON PEN-TORCH 7" 12CT/PACK

About the product

7" Pen Neon Torch has a neon body, adjustable flame, safety lock operates at any angle, child resistant, refillable, build in kick stand and safe stop feature.

Eagle Torch is windproof, able to withstand tornado force winds. It's the ultimate table torch lighter and one of the best cigar torch lighters in the market. It features an extended flame that is made specially for cigars. The flames open wide to properly light you cigar. It has a large butane tank so it'll require less fill-ups. Butane lighters provide the best burn to light your cigars, as unlike fluid lighters, they do not alter the taste of your cigar.

Each windproof torch lighter are made in 4 different colors (Yellow, Pink, Green & Orange). Simply add a note in your order about the color selected. It will provide years of service. This quality torch with the gun style grip is perfect for cigar smokers.

- Single and Pen Style Torch
