

EAGLE TORCH MIGHTY DOUBLE ANGLE TORCH 15CT/PACK

About the product

The Eagle Torch Mighty Double Angle Torch is a high-powered, windproof butane torch designed for precision lighting and heavy-duty use. With its dual jet flames and angled nozzle, this torch ensures efficient and reliable ignition for various applications, including cooking, welding, camping, and cigar lighting. Key Features:

- Double Jet Flames – Provides stronger and more concentrated heat output.
- Angled Nozzle Design – Ensures precise and easy ignition for various tasks.
- Windproof Technology – Works efficiently in outdoor and harsh weather conditions.
- Refillable Butane Torch – Cost-effective and eco-friendly with easy refilling.
- Flame Adjustment Control – Customize the flame intensity to suit different needs.
- Ergonomic & Durable Build – Designed for comfortable grip and long-lasting use.
- 15CT/Pack Display – Ideal for retailers, bulk buyers, or personal collections.

Perfect for those who need a powerful and versatile torch, the Eagle Torch Mighty Double Angle Torch delivers superior performance and reliability in a sleek, durable design.
