

CHROMIUM CRUSHER CNC 2.0 GRC1005-45mm

About the product

Experience efficient and smooth grinding with the Chromium Crusher CNC Grinder 2.0" (45mm) GRC1005. Crafted from high-quality, CNC-machined aluminum, this grinder is built for durability and precision. Its sharp, diamond-shaped teeth ensure effortless grinding of herbs, while the magnetic lid keeps everything securely in place. Compact and easy to use, it's perfect for both home and travel.

Key Features:

- 2.0" (45mm) compact size for portability
- CNC-machined aluminum for long-lasting durability
- Diamond-shaped teeth for efficient grinding
- Magnetic lid to prevent spills
- Sleek and sturdy design for everyday use
