

RAW 110MM CIGARETTE PLASTIC ADJUSTABLE ROLLERS 12CT/PACK

About the product

The Raw 2-Way Roller is an adjustable roller that helps you roll both King Size and King Size Slim (110mm) cigarettes. These rollers were released in 2014 and are made of a composite plastic produced from hemp. The lever on the side of the roller allows you to switch from regular King Size to King Size Slim.
