

KIDSMANIA QUICK BLAST SOUR CANDY SPRAY 12CT/PACK

About the product

Shoot this fire extinguisher into your mouth and you will be getting a Quick Blast of Sour Candy Spray. Not your usual experience with a fire extinguisher, but this is not your usual candy. Wonderful for party favors and Halloween give-aways. Great to give to the firefighters in your life (and those who want to be). Too hot to handle, pass these babies out.

Three Colors/Flavors: Blue/Blue Raspberry Blast, Red/Cherry Splash, Green/Green Apple Burst
