

58MM 4 PART PLAIN ZINC GRINDER 1CT

About the product

Sleek, sturdy, and built for everyday use, the 58mm 4-Part Zinc Grinder offers a simple yet effective grinding experience. Crafted from solid zinc alloy, it features razor-sharp diamond teeth for smooth grinding, a magnetic lid for secure closure, and a mesh screen with pollen catcher to maximize efficiency. The plain, minimal design adds a clean and classic touch, perfect for users who prefer function over flash.

Key Features:

- 4-piece design: grinding chamber, storage, mesh screen, and pollen catcher
- 58mm diameter - balanced size for portability and capacity
- Made from durable zinc alloy
- Diamond-shaped teeth for smooth, consistent grinding
- Magnetic lid for easy, spill-free operation
- Simple plain design - timeless and functional
