

CHROMIUM CRUSHER CNC 4 PART GRC1100-60mm

About the product

Celebrate style and performance with the CHROMIUM CRUSHER GRC1100, a premium 4-part CNC-machined grinder featuring a bold Rasta-colored design. With a solid 60mm diameter, this grinder is crafted from high-quality aluminum alloy and equipped with sharp diamond-cut teeth for smooth, consistent grinding. It includes a mesh screen and pollen catcher for maximum efficiency, while the magnetic lid ensures a secure closure every time. A perfect blend of culture, durability, and function.

Key Features:

- CNC-machined 4-piece grinder for long-lasting precision
- Bold Rasta design for a vibrant, standout look
- 60mm diameter - ideal for larger grinding capacity
- Sharp diamond-cut teeth for smooth, even results
- Built-in mesh screen and pollen catcher
- Magnetic lid to prevent spills and maintain freshness
- Durable aluminum alloy construction
