

## **SPECIAL BLUE DISPENSER LARGE 1/2 (FOOD USE) 6CT/PACK**

### About the product

The Special Blue Large 1/2 Dispenser is a high-quality, food-grade whipped cream dispenser, perfect for culinary professionals and home chefs. Designed for effortless and consistent dispensing, this durable dispenser is ideal for whipped cream, foams, mousses, and other creative culinary applications. Its larger 1/2 size allows for higher capacity, making it perfect for commercial kitchens and frequent use. Features & Benefits:

- Food-Grade Safe - Designed for culinary applications like whipped cream and infusions.
- Large 1/2 Capacity - Holds more for extended use without frequent refills.
- Durable & High-Quality Construction - Built for professional and home use.
- Easy to Use & Clean - Simple operation with a user-friendly design.
- Compatible with Standard N2O Chargers - Works with most whipped cream cartridges.
- 6CT Pack for Convenience - Ideal for bulk users and retail sales.

Enhance your culinary creations with the Special Blue Large 1/2 Dispenser - 6CT Pack, the perfect tool for smooth and professional results!
