

GAMBLER CIGARETTE MAKING MACHINE 100 RED 6CT/PACK

About the product

The Gambler 100mm Cigarette Injector is a handheld cigarette making machine that injects your preferred tobacco into filtered tubes. The handy device injects long 100mm cigarettes in a matter of seconds. It's light, compact and easy to use, making it a great option for first-time users. It's affordable price is also very appealing given Gambler is huge name in the industry. It's made of high-quality plastic and comes with tamper and extra nozzle. All you need to buy are tubes and tobacco filler of your choice to start rolling your own cigarettes to enjoy whenever you please.
