

OCB ORGANIC HEMP SINGLE WIDE PAPER 24CT/PACK

About the product

OCB Organic is the choice for anyone who prefers a 100% Natural Experience. Only hemp grown and harvested on organic farms is used in the OCB Organic line of products. The ultra-thin papers are unbleached and unrefined - you can even see variations in the shade of leaves depending on that years harvest. These papers are just as mother nature intended.

THE GUM

OCB papers are know for the fact that they always stick. Many other rolling paper brands out there let all your hard work go to waste and unravel before you can enjoy. OCB has always used 100% Natural Arabic Gum that is both vegetarian and GMO-Free.

THE BOOKLETS

- In respect of the environment, OCB Rolling Paper booklets are printed with vegetable inks and on recycled cardboard.
- Unbleached organic hemp papers
- 100% Natural Arabic Gum - VEGETARIAN - GM FREE
- Recycled packaging, printed using eco-friendly vegetable inks
