

FUJIMA HARD BRISTLE PLAIN PIPE CLEANERS BUNDLE 1 X 48 CT/PACK

About the product

Keep your pipes clean and performing at their best with Fujima Hard Bristle Plain Pipe Cleaners. Designed with durable hard bristles, these pipe cleaners effectively remove tough residue, tar, and buildup from the inside of your pipes, ensuring a smooth smoking experience every time.

Ideal for cleaning tobacco pipes, glass pipes, hookahs, vaporizers, and other smoking accessories, these versatile cleaners are an essential tool for any smoker. The rigid bristle design allows for deep cleaning of hard-to-reach areas while maintaining the integrity of your pipe.

Each bundle contains 48 high-quality pipe cleaners, making them perfect for personal use or retail sales.

Features:

- Hard bristle design for heavy-duty cleaning and residue removal
- Suitable for tobacco pipes, glass pipes, hookahs, and vaporizers
- Durable and flexible to reach narrow and hard-to-clean areas
- Helps maintain smooth airflow and performance of your pipe
- Perfect for deep cleaning and regular maintenance
- 48 pipe cleaners per bundle
- Ideal for personal use or retail display
