

SCORCH TORCH 45DEGREE EASY HELD STDS05 6CT/ DISPLAY

About the product

The Scorch Torch 45° Easy-Held Torch Lighter offers precision, reliability, and comfort for a wide range of uses. Designed with a 45-degree angled nozzle, it provides an ergonomic grip for effortless handling and enhanced control.

Key Features:

- Ergonomic 45° Design: Angled for comfort and precision handling.
- Powerful Flame: Wind-resistant, adjustable torch flame for consistent performance.
- Durable Construction: Built with high-quality materials for long-lasting use.
- Easy Operation: Simple ignition system for quick, reliable lighting.
- Multi-Purpose Use: Ideal for cigars, culinary tasks, crafting, and more.
- 6-Count Display: Perfect for retail setups or bulk purchasing.

Whether you're lighting a cigar, caramelizing desserts, or working on DIY projects, the Scorch Torch 45° Easy-Held Torch Lighter delivers dependable performance in a sleek, user-friendly design.
