

SCALE JDS-DP200S 0.01G WITH DIAMOND PLATE PATTERN TRAY USB CHARGING PINK CRS30 1CT

About the product

The JDS-DP200S Digital Scale combines precision and style, offering 0.01g accuracy for jewelry, herbs, powders, and more. Featuring a diamond plate pattern tray, it ensures stable and secure weighing. The USB rechargeable battery eliminates the need for disposable batteries, making it eco-friendly and convenient. With its sleek pink design, compact size, and easy-to-read digital display, this scale is a perfect blend of functionality and fashion.
