

E-Z WIDER DOUBLE WIDE 24CT/PACK

About the product

- E-Z Wider rolling papers are created with one thought in mind: ease of rolling.
- These fine, French papers come from the European factories in Belgium. Each rolling paper is high quality and as good as the last. They are not too thin or too thick, making them easy to roll for beginners. They burn clean with minimal ash.

- E-Z Wider rolling papers are some of the most popular rolling papers on the market, known worldwide for their quality rice rolling paper. You won't find a more even burn- -- try these rolling papers today!
