

RAW 500'S CLASSIC 1 1/4 20CT/PACK

About the product

- RAW Classic Natural Rolling Papers are unflavored and used to turn tobacco or herbal blends into a cigarette or cone

- Made of unbleached blended plant material such as flax and hemp with a slow burning connoisseur burn design
- Every Raw leaf is unique and comes in a variety of sizes that accommodate wide or regular filter tips
- Whether you display your doobie rolling skills with a filter crutch or glass tip RAW products are the natural kings
- Paper pack booklets contain leaves that work with most rollers and smoking accessories. Please check for size
