

BLAZY SUSAN 98MM PINK CONE 50CT/ JAR

About the product

Blazy Susan 98mm Pink Cones are vegan papers made from wood pulp and lightly dyed a light pink. Ultra thin cones that are slow burning, chlorine free and non GMO.

These Blazy Susan Cones come in a jar of 50 special cones. Each pink cone is at 98mm in length and has a built in filter. Close to a 1 1/4 size cone with a little extra length in the filter and at the end. Kinda like a 98 Special.
