

SPECIAL BLUE MINI RUBBER LIGHTER LT102 20CT/ DISPLAY

About the product

These pocket torches are shaped like it's larger cousin with a bent neck and a click button at the back to operate. The front is safely covered with a removable protective shield to stop accidental firing. At the bottom of the torch is a port to refill the lighter with your favourite butane, and on the front of the torch is a lever to adjust the power and strength of the flame.

Special Blue Torch Features:

- Display of 20 Refillable Torches
- Great for Cigs, Cigars, Pipes, etc.
- Assorted Colours
- Works at Any Angle
- Adjustable Flame & Angle
