

LIGHTER LEASH BLUE JAR 30CT/PACK

About the product

- All lighters should be kept on a leash, Clip on the Lighter Leash and never lose or search for yours again. Be preventative against lighter lost.

- Now you can lend someone a light without them walking away with it. The Original Lighter Leash is designed to hold a standard size Bic lighter or similar size lighter (like Clipper and Winlite). Original Style features a plastic frame (colors assorted) and a spring clip that can be secured to your belt, pocket, pants, shirt or purse. This style clips snugly to one's belt, pocket, skirt, or purse and gives its user quick access to a light.
- Each Lighter Leash has a strong 36 inch retractable nylon cord. (Lighter not included) Available in Original, Premium and Mini. Original and Premium - Standard Size holds a standard sized Bic (or similar) lighter Mini Size- holds a mini sized Bic (or similar) lighter. This is for ONE Original Lighter Leash
- The Lighter Leash is a retractable lighter holder that clips onto anything and almost anywhere. Designed to fit standard size lighters. A lighter leash allows you to have a lighter at any moment without worrying about losing it because of its durable built in clip.
