

RAW BLACK ORGANIC 1 1/4 24CT/PACK

About the product

Released in celebration of 16 years of RAW! RAW Black Organic Hemp is the thinnest, slowest burning unbleached hemp paper RAW has ever made. Each leaf is incredibly thin with very low porosity so it will burn very slowly and preserve your terps. Made from natural hemp and water, and finished with a sustainably harvested organic gum from Acacia tree sap. RAW Black was created for a new generation as the next level of top shelf smoking materials. For expert smokers only!
