

THE KIND PEN MIST VAPORIZER 500 mAh

About the product

The Mist portable vape pen can be your own little pocket rocket – a compact e-liquid and oil vaporizer that still fits into the palm of your hand!

With the Mist, we wanted to create a super small e-liquid and oil vaporizer, but still give you the opportunity to tailor your own vaping experience. That's why it's fitted with an adjustable voltage battery that allows you to switch between 2.4v, 2.8v, and 3.2v, depending on the viscosity of oil and the type of coil that you're using.

Pick up the Mist e-liquid and oil vaporizer today and take advantage of our lifetime warranty guarantee. This is a once-in-a-lifetime purchase – if it breaks or is defective, we'll replace it, and you can then go back to enjoying those sweet-smelling puffs!

Features:

- Portable vape pen design
- 5 ml glass/ceramic wickless tank
- Preheat function that softens your oils
- Adjustable voltage for different viscosities
- Compatible with most 510 thread tanks
- LED indicator
- USB charging port
- 500 mAh battery capacity
- An optimized circuit board (built-in safeguards like automatic cut-off and shutdown)
- The pocket Venus of vaporizers (discrete and always handy)
- Easily handles both e-liquids and oils
- Preheat function for immediate use
- No clogging or leaking
