

WOODEN DUGOUT SMALL DO110

About the product

- This Product was designed to help stoner have discreet sessions almost anywhere, This combo comes with a aluminium one hitter pipe which looks like a normal cigarette and a wooden case called a "dugout".

- Dugout has two storage compartments, the larger to store a stash of herb or tobacco and a narrower, cylindrical hole to store the "bat" or pipe.
- Using a one hitter with dugout can't get any easier just dig the one hitter in the larger hole where you have stored your stash...twist it... & your bat is ready to fire.
- This is a must have stoner accessory for any stoner doesn't matter if you are a daily stoner or just prefer smoking up sometime.
