BANANA CREAM

Who doesn't love a little banana? Now, thanks to King Palm's Banana Cream Mini 5-Pack, you can get a taste of your favorite fruit in every cloudy puff. Featuring a hand-rolled Cordia palm leaf and our revolutionary flavored filter tip, this package of flavored pre-roll cones is a dream for every smoker. Our 5-pack of pre-roll cones come in a universal pouch with their specific flavor marked on the back.

BERRY TERPS

King Palm's Berry Terp Minis bring you doses of mouth-watery, juicy fruit with each hit. Included with our 5-pack of Berry Terp Minis is our signature bamboo packing stick, so you can easily load your dry herb and start the sesh. No rolling is needed. And, whenever you're ready to complement the natural flavor of your smoke with hints of ripe blueberries, simply squeeze the filter tips to pop the flavor capsule inside. You can pop it before you spark the cherry or wait until you're halfway through. You choose when to release the flavor. Our pre-rolled cones come in a universal pouch with their specific flavor marked on the back.

PINE DRIP

Hit your smoke with the extra flavor of juicy pineapple added to it with natural terpenes. King Palm introduces a more efficient technique for improving any smoke taste. There is no pineapple flavored rolling paper that can compare with the Pine Drip flavor, and that's because of our innovative flavor delivering filter tips. Our rolls come in a universal pouch with the specific flavor marked on the back.
