

BROCONE 1A KING (109MM) SIZE - 32CT/ DISPLAY

About the product

BroCone presents paper cones that are 100% authentic and natural. These pre-rolled paper cones are amongst the best rolling papers you can get on the market. The best part about our branded paper cones is that they are available to you in different shapes and sizes. So if you have a preference for a particular type of paper cone then you can have that without any problem.

The quality of BroCone paper cones is something you will take notice of the moment you come across them. Each of our paper cones is ultra-thin and transparent. Therefore, when you use them for your smoke, you can expect slow-burning with an enhanced experience.
