

MOCO DE GORILLA HAIR STYLING GEL 9.5OZ 1CT

About the product

Gorilla Snot Gel will help you create an off-the-wall, long-lasting look. The texture of our product is dense and with an aroma that you will love. It will allow you to create a hairstyle that will last all day, ideal for use on the tips or all over your hair if you want to lift it and stay that way for long hours. Using our product, you have the advantage that your hair will not look greasy or with unpleasant residues; your hairstyle will be under control. Ideal for hair that needs to be controlled with the strength of a Gorilla! Now you can have the hairstyle you have always wanted. Due to its long-acting effect, Gorilla Snot Gel will help you show off your new hairstyle with a long-lasting effect, without worrying about gravity. The style you design in your hair will resist any weather, regardless of the activity, you are doing. Our advanced residue-free formula will help protect your hair, leaving it set, just how you want it! Apply a small amount of Gorilla Gel with your fingers on wet or dry hair and style it to your liking.
