

JUNIPER 4" SMUDGE - SAGE10 3CT/ PACK

About the product

Looking for a natural way to cleanse your space and refresh your soul? Meet Soul Sticks, the perfect tool for smudging. Made with sustainably sourced juniper and sage, our Soul Sticks are perfect for wafting away negative energy and balancing your space. Each stick is approximately 4" long and burns for 30-60 minutes.

Why we love it:

Not only do Soul Sticks smell amazing, but they're also beautiful to look at. The natural colors and wood grain of the juniper and sage really add a special touch to any room. We love how cleansing and refreshing they make our space feel!
