

TRASH BLACK BAGS 58 GALLON (approx 100pc) ***PICK-UP ONLY***

About the product

- Puncture resistant, flexible, and strong enough for outside use. Thickness: 1.5 Mil Low Density Material
- 55 Gallon Trash Bags These heavy duty drum liners are puncture resistant, flexible, and strong enough for indoor and outside use.
- Low-density resins are both strong and flexible, and at a gauge of 1.5 Mil, these quality bags can cope with anything from nails to jagged glass or splintered framing.
- Great on site, in the workshop, or at home, these bags are a perfect fit for large drum cans.
