

OCB SOLAIRE KING SIZE CIGARETTE PAPER WITH TIPS 32CT/ PACK

About the product

The latest in OCB's long line of ultra-thin papers. OCB Solaire papers are made from natural flax fibers with an Arabic gum strip. They have very little taste due to the small amount of paper used, and they are slow-burning and smooth-smoking. Made in France. Pick up the next step in ultra-thin papers today!
