

RAW BLACK CLASSIC 1 1/4 24CT/PACK

About the product

- RAW Black is double pressed extra-fine for the thinnest, unbleached rolling paper ever made. RAW Classic Natural Rolling Papers are un flavored and used to turn tobacco or herbal blends into a cigarette or cone
- Made of unbleached blended plant material such as flax and hemp with a slow burning connoisseur burn design

- Every Raw leaf is unique and comes in a variety of sizes that accommodate wide or regular filter tips
- Whether you display your rolling skills with a filter crutch or glass tip RAW products are the natural kings
- Paper pack booklets contain leaves that work with most rollers and smoking accessories. Please check for size
