

SWIFT PORTABLE CIGARETTE MACHINE 1CT

About the product

The Swift Portable Cigarette Rolling Machine makes king size cigarettes in a nice, small travel size unit. This table top cigarette injector is easy to use and produces a nicely packed cigarette in no time at all. Best of all, it's really easy to take with you on the go. You get the ease of a table top model with the portability of a hand injector. Just use one of our cigarette tubes, add some tobacco and then slide the lever over to inject your tobacco. Just like that you'll have a terrific cigarette ready to smoke.
